

PRIVACY POLICY STATEMENT

International Christian Response USA (ICR) is committed to maintaining the confidentiality and security of our donors' personal and financial data. This information is considered to be privileged and held in confidence between the donors and ICR.

ICR follows best practices in maintaining security of donors' credit card data. Credit card data is collected strictly for the purpose of processing orders or donations for the US or our Canadian affiliate. This data is maintained securely and will not be provided to third parties except as needed to process transactions. Similar efforts are made to safeguard donors' bank account information in the event donations are made by virtual check or by wire transfer.

The sale or any other use or dissemination of any of our donors' personal information to third parties is prohibited, except as required by law or consented to by the donor.

ICR's website contains links to other websites which may not be governed by similar statements. We suggest that users of such links read and agree to the privacy statements of other websites prior to using them.
