

SUPPORT Persecution is a normal part of following Jesus. Many of our brothers and sisters throughout the world experience all sorts of persecution for their faith in Christ. ICR supports our fellow believers as they faithfully endure persecution by meeting urgent spiritual and physical needs.

EQUIP ICR is committed to seeing the kingdom of God come by partnering with local churches. This commitment is leading us to find indigenous, godly leaders who are helping to fulfill the Great Commission by making disciples and building up the body of Christ. Through coming alongside these local leaders and their churches, ICR is helping to ensure that they are supported as they “equip the saints for the work of the ministry, the building up of the body” (Eph. 4:12).

ADVANCE ICR’s desire is for the glory of Christ to spread throughout the world. We long to see the gospel proclaimed to all the peoples of the earth. ICR supports kingdom advancement efforts through initiatives focused on evangelism and church planting.

KNOW One of ICR's main purposes is to connect the American church with the global body of Christ. We seek to raise awareness about persecuted believers and God's faithfulness, so that the American church will be enabled to better minister to the needs of our brothers and sisters who are being persecuted (1 Cor. 12:26).

PRAY One of the best ways to partner with the global church is to pray. ICR's desire is to see the church fully united in prayer. Our prayers support persecuted believers and often encourage them. ICR is looking for people who will faithfully pray for Christ's global body and for ambassadors who want to start prayer groups.

GIVE Giving is an act of worship and a practical way to support the global church's urgent spiritual and physical needs. As they arise, ICR brings these urgent needs before churches and supporters here in the U.S. to invite you to partner with the global church. We seek to faithfully steward your donations by working with trustworthy partners in the field and by maximizing the amount that reaches our persecuted family. Over the last five years, more than 90% of all donations given through ICR have gone to the field.
