Sources of Persecution:

- Governments
- Extremists, Terrorists, and/or Paramilitary Groups
- Families, Communities, and/or Societies

**This prayer map is not comprehensive. Persecution occurs in many parts of the world, but these countries are characterized by high levels of persecution. Most of these places have more than one source of persecution, but these countries were labeled based on the most common form of persecution. Also, persecution does not necessarily occur throughout the whole country.*
